

Webinars

Various Sources

Multijurisdictional Counterdrug Task Force Training

www.mctff.org

- **[Raising Drug-Free Kids](#)**
Learn which tactics work best to keep kids away from drugs. Find out what has worked for other coalitions and how this may help you. See how you can help guide your kids to make better decisions. Find out what resources are out there to help coalitions reach parents.
- **[Keeping the Faith in Drug Prevention](#)**
Learn how coalitions and faith organizations can work together. Find out how to avoid common pitfalls. Hear how smaller congregations can play a very large role in coalition efforts.
- **[The Art of Community Mobilizing](#)**
Learn the difference between community organizing and community mobilizing. Find out how the concepts for action can help you mobilize. See the steps to doing the work. Discover how to build relationships with residents.

National Institute on Alcohol Abuse and Alcoholism

www.niaaa.nih.gov

- **[Adolescent Development and Alcohol Use](#)**

The BIG Hospital SBIRT Initiative

www.hospitalsbirt.webs.com

- **[All About SBIRT for Teens](#)**
Increase understanding of developmental issues that pertain to use of the SBIRT model for adolescents. Gain skills in applying the components of SBIRT. Increase knowledge of limitations of SBIRT.
- **[Brief Intervention \(BI\) for Marijuana](#)**
Describe what we know about marijuana use from SBIRT implementation in Colorado. Explore common beliefs about marijuana benefits and risks. Present ways to tailor brief interventions for marijuana use in youth and adults.
- **[Marijuana SBIRT](#)**
This module addresses the medical risks and complications of marijuana use, present evidence for the effectiveness of brief interventions for patients using marijuana, and demonstrate how to apply the SBIRT model with a Motivational Interviewing (MI) approach to intervention for marijuana and other illicit drug use.
